# LAS COMPUTER REPLACEMENT

🟩 LAS FUNDED

🟧 STANDARD CONFIGURATION

WHAT DOES 'LAS FUNDED' MEAN?

The computers listed as 'LAS Funded' fall within LAS cost and performance specifications, and will be fully funded by the college for Faculty and Staff which are 100% dedicated to LAS. For those faculty who have partial appointment to another college, the amount will be prorated based on your percentage of salary paid by LAS. Please contact your department IT support person with any questions.

ENHANCED REPLACEMENT PROCESS

LAS IT has enhanced the computer replacement process to create a smoother workflow, and fewer options to navigate.

These choices represent standard hardware and software configurations which will ensure performance, security, and reliability of your computer upon delivery, and for years to come.

Please review this catalog and consult with your department IT support personnel to ensure you receive the right computer for your job.
